

How to Study a New Testament Letter – Part 2

1. How does the author refer to his audience in the greeting?
2. Does he have good things to say, bad things to say or both? Make a list of each
3. As you are reading ask yourself the 5 W's and an H.
4. Look for key words (repeated) words and mark in a distinct way.
5. Keep a notecard for all your repeated words.
6. Pat yourself on the back as you finish your study for this week.
